Ringkasan

Hi there! My name is Chrystalio. I am From Batam, Indonesia, and I'm a 21-year-old computer science student. I am passionate about technology and love learning about the latest developments in the field.

In addition to my studies, I'm currently working as a full-time programmer, where I have gained valuable website development experience. I am proficient in several programming languages & frameworks, including PHP, Bootstrap, TailwindCSS, Javascript, and Laravel. I'm always looking for ways to improve my skills and stay up-to-date with the latest trends in the industry.

I always look for new challenges and opportunities to grow as a programmer.

I plan to continue learning and developing my skills as a programmer in the future, and I'm interested in exploring new technologies and industries. I am open to new opportunities and would love to connect with others in the tech industry who share my passion for programming.

Thank you for taking the time to learn more about me. I'm excited to continue growing and learning as a programmer, and I look forward to connecting with others in the field.
